"The Blood Still Works, It Will Never Lose Its Power" Exodus 12:13

June 22, 2023

Praise the Lord,

Welcome to our 2023 ATM Summer Conference here in Thomasville, Georgia with host Pastor, District Elder Rickey and First Lady Jamila Monroe of the Mt. Sinai Apostolic Church, and Region VI.

Our goal during these three days of powerful study of the Word of God is to discover how Jesus shed His blood seven times and in seven different areas of His body so that we could receive complete and perfect salvation and freedom from the enemy.

If you think about what the precious blood of Jesus means to all of us in just one word, it means EVERYTHING! The devil, sickness, sin, and even death have no power over us and our lives as long as we stay covered and protected under His blood.

As Diocesan, I am encouraging us to preach, teach, sing, and testify those sound and powerful truths about the benefits and blessings of the Blood of Jesus that never lose its power and how it still works even during the pandemic and the last days!

Yours in Christ,

+ Bishop G. F. Austin
Diocesan
